

Cornerstone Christian Church

2024 Summer Youth Gathering Schedule

As we launch into the summer months, our 6-12th Grade youth ministries adjust some for our discipleship gatherings. We continue with a class time on Sunday mornings during the main worship gathering (meet during the sermon time). Our Sunday night gatherings will not take place each week, but will be replaced with other special events thru the summer listed below. Also, we strongly encourage students to attend a Christian camp week(s) during this time, and get involved in church-wide service project opportunities (such as the car wash/prayer event June 22, 12-4PM at Cascades Park). As always, contact me with any questions or ministry needs.
